

RESEARCH PARTICIPANTS NEEDED!

FOR A STUDY ON THE IMPACT OF VISIBLE FACIAL DIFFERENCES
IN CANDIDATE EXPERIENCE WITHIN THE RECRUITMENT
PROCESS.

The Research has been approved by Faculty Research Ethics Committee

We are looking for participants to take part in 45-60 minutes interview via Microsoft Teams to share their experiences during recruitment elements such as in-person interviews, online application forms etc. and how these processes may have affected individuals' thoughts and feelings.

Eligibility Criteria

- Aged 18 years +
 - Have a visible facial difference such as scarring, burns etc.
 - Have experience applying for employment within the last 10 years, this also includes any internal recruitment.
-
