
VIDEO INSTRUCTIONS FOR PATIENTS

Dear NF patient!

The European NF meeting will take place in Manchester this year in October. NF Patients United, the European umbrella organisation for NF patient organisations, is working with us on a NF community day. A part of the program will be to honour Prof. Gareth Evans and Prof. Rosalie Ferner for their lifetime achievements for NF patients in the UK.

We want to surprise Prof. Gareth Evans / Prof. Rosalie Ferner with a video-collage of NF patients. Please help us by providing a video, where you answer the following questions (max. 30 seconds per question):

- Describe Gareth Evans / Rosalie Ferner in one word!
- What is the best character trait of Gareth Evans / Rosalie Ferner?
- How did he/she change your life?
- What do you want to say to him/ her?

Please record the video horizontally (see picture) and send it to

info@nf-patients.eu.

Please fill out the attached consent form, so that we are allowed to show your video publicly.

We are sure that Prof. Evans and Prof. Ferner will appreciate your video messages very much.

Thank you!
