Head over to our website for more information and help on NF.

Nerve Tumours Facebook Groups

We also host private Facebook Groups for teens, students and the whole community. There, you can talk to other people with nerve tumours. To join one of the groups, search Facebook for:

Nerve Tumours UK - Teens
Nerve Tumours UK - Community
Nerve Tumours UK - Students

Become a Supporter

Becoming a Supporter of Nerve Tumours UK is a fantastic way to stay up to date with the charity, and what is going on in the NF community.

'Standard' or 'Concessionary' Supporter - which is designated for anyone who is out of work, on benefits, retired or a student.

NTUK Dedication Wall

Honour your loved ones with a tribute on our Dedication Wall, celebrating those affected by NF. Share memories, photos, videos, or music and help us support the 26,500 children & adults impacted by NF across the UK. Donations are optional but deeply appreciated.

We need your help!

In association with our friends at the Children's Tumor Foundation (US), we are excited to announce the return of the Shine A Light On NF campaign to raise awareness of NF1, NF2 & Schwannomatosis by lighting up landmarks and buildings on World NF Awareness Day - 17 May 2025.

We are asking the owners of iconic landmarks, buildings and homes to light them up blue for those diagnosed with NF in the UK.

Do get involved and place the poster (overleaf) in a local building near you, such as a library, cinema, local council, office, in your home etc. (Always ask for permission.) Please send us photos of your poster in that location to info@nervetumours.org.uk. The most interesting, challenging and outstanding places will win high street gift vouchers.

To mark the day, we want you to be involved. Send us images and links to videos that you have created, where you express what living with NF means to you.
